## Level 7777

Level 7777 is an infinite play area. This level also has 6 rooms, with those rooms being the ball pit, The Exit, Water World, Slides, and Darkrooms. There are many Wanderers living in here. The biggest colony here is known as the Human Party Goers. The ball pit room is a ball pit that has no bottom. This room also has exits but it relies how deep you are. The Exit is like the exit of the indoor play areas and lead to the **Frontrooms** or **level 11.1**. Water World is reminiscent indoor water park. This room can sometimes lead to the **Poolrooms** or **its sublevel**. slides are like the slides room in **level 0**. But it can lead to the **Frontrooms**. The Darkrooms are like **level 37.1** or dark version of the Water World room. The Souvenir shop is where people can buy souvenirs, like a potrait of the level. This level has a strong connection to Level 楽しみ.
